

Commodore's Report *Lynn Simpson*

Those who can, do. Those who can do more, volunteer. Author unknown.

LCYC thrives on the support of its cadre of willing and supportive volunteers. Volunteers are the heartbeat of our club. To volunteer is to give willingly because the 'volunteer' wants to and the return is a feeling of gratification and pride that one has contributed. For each club activity, the call for volunteers goes out, and that call is answered by the very many talented volunteers that make up the LCYC membership. Our yacht club, has just wrapped up a 4 weekend run of activities that called for a total of 100 plus volunteers! A handful of our dedicated helpers signed up to help out for each of the 4 weekends How outstanding is that?

Volunteers don't get paid, not because they're worthless, but because they're priceless. Sherry Anderson

It is fun to volunteer, it is a great way to meet other members and along the way, learn something new about our club. For those that have not yet volunteered, please consider signing up to help out at a future event. Take a look at the calendar, choose an event, and contact

the team leader, it is that easy. New volunteers are always welcome!

To all of LCYC's dedicated volunteers "Thank You."

I can no other answer make, but, thanks, and thanks, and ever thanks. William Shakespeare.

Bathroom Renovation Update

The project is coming along very nicely, the bathrooms are looking fabulous! The new shower stalls have been installed, dry wall has been fitted, both rooms have been painted, the new plumbing is installed, the floors have been tiled, (the new tiles look beautiful), and the new sinks, cabinets, toilet stall partitions, and light fixtures have been purchased and are waiting to be installed. The project is still on track to be completed at the end of March! A friendly reminder, the bathrooms have been switched, so that the men's old bathroom is now the women's new bathroom, and vice versa!

The Docks and Grounds crew have really worked hard on this project. It has consumed a lot of their time, along with keeping up with regular grounds/dock maintenance. They have

really done an outstanding job! Be sure to pass onto them words of thanks, the next time you see them.

New Member Orientation

There will be a New Member Orientation on April 22. This is great way for LCYC's newest members to meet other members, learn about the programs that LCYC offers, and also learn about volunteer opportunities! Invitations will be emailed to new members and their primary sponsor. In the meantime pencil in April 22 on your calendars, following the orientation will be the Lifetime Service Award(s) and dinner.

Hope to see you at a future LCYC event, or better yet, on the water!

2017 Charles L. Branch M.D. Leukemia Cup Regatta - July 1 & 2 Ray Leubner

Lake Canyon Yacht Club

LCYC's 4th Leukemia Cup Regatta (LCR) will kick off at the Commodore's Breakfast on April 9th with Erika Gongora from LLS in attendance. The Crane, Leubner and Lindsey families will be hosting the breakfast with help from Marvin & Linda Arnold and Sue Radley. The menu will consist of "dress your own scrambled eggs," a French toast casserole, sausage patties, fresh fruit, pastries and Mary Lindsey's Banana Bread. After breakfast, there will be an LCR Executive Committee meeting to build some more momentum for this year's event. LCYC has raised \$108,000 over 3 years for the South Central Texas chapter of the Leukemia and Lymphoma Society. It's well within our capability to bring this total to \$150,000 over 4 years of LCYC sponsorship. If you would like to assist in any way, please give either of us a call.

We have 9 fundraising teams already signed up from last year! If you want to start your

own fundraising team, just let us know and we will set it up for you. Keep in mind that these teams don't have to be sailing teams. While there will be a regatta, the overall goal is raise money for LLS. So consider stepping up to the plate and creating a team. Virtually all of us know someone who has been impacted by leukemia and or lymphoma.....so let's make a difference! Please join in and actively engage in a great cause that will make a difference in the lives of so many.

The regatta will follow our traditional 2-day format with one day devoted to The Branch Long Distance Race and the other to buoys racing. We would love to have more boats participate this year! Following the race on July 1st there will be our traditional BBQ, silent auction, and live music. Recognition awards for sponsors and fundraising teams will be presented. Race trophies will be presented Sunday afternoon following the actual regatta.

Ray Leubner/Phil Crane

Lifetime Service Award Jim H. Kizziar Jr. *Chair, Lifetime Service Award Committee*

The LCYC Board of Governors is pleased to announce that VanEtte Christian and Bob and Nancy Wickman have been selected as recipients for the 2017 Lifetime Service Award. Please join the Board and officers in congratulating VanEtte, Nancy and Bob for their distinguished service to the Club and their receipt of this award.

The Lifetime Service Award may be presented to members who have made outstanding contributions to LCYC for twenty or more years. Factors considered by the Board when selecting honorees from those nominated by Club members include long term volunteerism, consistent support of Club activities, effective service in elected or appointed positions and demonstration of leadership, sportsmanship and cooperation.

This year's recipients have each been Club members for 24 years. They have served in multiple volunteer capacities and elected and appointed positions.

The 2017 Lifetime Service Award honorees will receive a plaque recognizing their service to LCYC at the annual Founder's Day celebration on April 22, 2017. Their names will be inscribed on the Lifetime Service Award Keel Memorial located on the McKown Youth Deck. Just as a keel provides stability and direction to a sailboat, these honorees have provided exemplary service, guidance and support to LCYC.

First item to report, a recap of the TSA regatta at the end of February in Corpus Christi. It was the first Texas Sailing Association (TSA) youth circuit regatta of the year, and it proved once again to be a “big wind – big wave” event for our racers. Davis and Caleb both had very consistent finishes in the Laser Radial and Opti Blue fleets, respectively, over the course of the two days. We’re very proud of them for handling the 25+ knots of wind on the bay!

Two weeks after Corpus, we hosted our annual Spring Fling TSA regatta on our home waters. Teagan and Caleb competed in the Opti Blue fleet and represented us well. They were tested again by the weather. “It was cold,” said Teagan, “but a lot of fun.” Caleb also observed, “I liked how the wind was different the two days. I liked the rain the first day because it helped me focus.” Teagan had to sail really hard on one particular race on the first day – her only request of us coaches: “...next time don’t make me 2 minutes and 13 seconds late to the starting line.” Even coaches have some off-season rust to overcome!

We would like to thank all the great volunteers from LCYC who gave their time to make this a wonderful weekend for the kids.

A special thank you to David and Michelle Lilley for once again spearheading this great event. We had 64 kids racing on 3 courses; what a great weekend!

We also held our first Open Sail Day of the year on March 5th. We were joined by kids of the adults who were taking the adult sailing class, and the light conditions made for a very enjoyable day. The wind was perfect for novice sailors and those who did not want to go swimming in the lake just yet. We encourage all club members to join us on the youth dock when we make all the youth boats available and enjoy the friendship that sailing promotes. Last month, we were fortunate to have Coaches Jim Kondziela and Joe Murphy on-hand, and they encouraged our sailors to try boats they hadn’t sailed before.

Remember our Youth Basic Sailing Class is just around the corner. Our class will be held over two weekends – May 21-22 and 27-28. If you and your friends are between the ages of 8-18 and would like to learn how to sail, check out the youth page on the website for more information

See you on the water

Youth Sailing Dates

March 26 - LCYC Youth Race Day
April 1-2 – TSA Regatta - Corinthian Sailing Club, White Rock Lake (Dallas)
April 9 - LCYC Youth Race (Tentative)
April 22-23 TSA Regatta - Houston Yacht Club
April 29 - Fiesta Regatta at Hill Country Yacht Club (Tentative)

What Am I?

See the answer in next month’s Ditty Bag

Answer to last month’s “What am I ...?”

I’m a fid! – Sailors use me to undo knots and splice rope. I’m different from a marlin-spike – I’m made of wood or plastic, usually. Look me up on Google and see all that I do!

Caleb sails the Laser for the first time

Caleb takes out a Laser during Open Sail Day

It’s “School” to Sail!

Spring Series Racing Fred Lindsey

The first day of the Keelboat Spring Series was Sat, March 18. The RC was staffed by Chris Powers, Morgan Powers, Jake Mathis, Patti Stickle, Debbie Fogle, and Marvin Arnold.

The Boardboat Spring Series was hosted by the J22 fleet. On the RC were Fred Lindsey, Sandra Lindsey, Jake Mathis, Gary Bourgeois, and Jim Schubert.

The next Keelboat Series on April 8 will be hosted by the PHRF fleet. Contact Pete Macler to volunteer. The Boardboat series on April 9 will be hosted by the J22 fleet. Bruce Dunn is the contact for the J22 fleet. We need volunteers and offer RC training.

J22 Fleet 17 welcomes Honey Badger Owners Dwight Stickle, Skip Klement, and Sally Bittick are real happy with their new purchase

Happy Birthday LCYC *Kathy Leubner*

Remember to mark your calendars for the LCYC 50th Anniversary Birthday Bash on Saturday, October 7th. A special dinner will be served, after which there will be a 50th Anniversary Program complete with invited guests and speakers.

Work on a 50th Anniversary History of LCYC is underway. If you can contribute details, stories and/or photos, contact Kathy Leubner at ClubHistory@lcy.net or call her at 830-964-2703. Meeting for an in person interview is also an option. Even better would be if there are a group of you who would like to reminisce. You choose the spot and I will be there!

Many thanks to Robert Robinson for donating the photos above. His mother, Lois, was the club historian for many years. The pictures above are from a scrapbook Herb Eastwood put together from the 1972 Wurstfest Regatta. Left: A photo of the original clubhouse before it caught fire in 1975 and burned to the ground. Can anyone identify these people? Right: The LCYC marina in 1972, consisting of a telephone pole "breakwater," mooring field and mini super dock.

2017 LCYC Spring Fling Regatta *Dave and Michelle Lilley*

This year for the Spring Fling Regatta, our volunteers and young TSA sailors got to experience a couple seasons in only two days. Saturday started wet, but ended sunny and warm. Despite the mild breeze, most fleets were able to complete a decent number of races. On Sunday, the weather was significantly colder and the wind was blowing nicely, with all fleets getting in a enough additional races to earn their throw-outs. Whether it was the weather or our restroom situation, we had 65 competitors, which was fewer than the last two years and fewer than expected. Despite that and the odd weather, everyone who came appeared to be in good spirits and having fun.

Michelle and I want to send our sincere appreciation to everyone who came to our rescue this year. We had a leaner crew than in year's past and the weather didn't exactly cooperate. Nevertheless, through the superb effort of everyone who helped, the Spring Fling Regatta came off without a hitch. The kids seemed to enjoy themselves and I didn't hear any complaints - only compliments for the club and the volunteers. Thank you for making this one of the nicest stops on the TSA Youth Circuit and for our guests.

Port Co-Captains *Ann Cook & Carolyn Popp*

Last month we weathered the Ides of March, the beginning of DST and the vernal equinox, so it's safe to say that spring has arrived and LCYC is in sync with the season! On the social front, Lancine & Ed Booth prepared a delicious and healthy, herb-infused Commodore's Breakfast for 60 members on March 19th. If you haven't been attending these monthly events at the clubhouse, be sure to put the next one on your calendar for Sunday, April 9th at 9:00 a.m. The April breakfast will be hosted by the Leukemia Cup Committee as a kick-off for the regatta fund-raising.

Although we had to cancel our spring Chili Cook-off (March 25th) due to poor response, we hope to reschedule it for a less-busy time later in the year. Looking ahead toward the end of this month, a New Member Orientation will be held during the afternoon of Saturday, April 22nd. If you have never been to one of these meetings or if you have sponsored new members or if you simply want to learn more about our club, you are

most welcome to attend. Light refreshments will be served. Then later that evening we will provide a special dinner to celebrate the recipients of our Lifetime Service Award. The menu and meal will be planned and hosted by Marty Chrisman and Joy Clayton who joined LCYC from HCYC a year ago and

the painting and striping and trimming and raking, etc. are complete. Yes, it's real work, but lots of fun too.

We are most appreciative of those club members who have responded to our requests for hosting. All the Commodore's Breakfasts are now covered as well as the majority of our other social events. However, there are always opportunities for volunteers who would like to assist with meals or help with clean up—it's a great way to learn the layout of the galley. And we still need some folks to take charge of the series racing dinners in August and October. Can we count on YOU

22 APR	Lifetime Service Award Dinner	M.Chrisman & J.Clayton
29MAY	Memorial Day Fish Fry	Lindsey Family
24 JUN	Summer Breeze (Burgers & Fixings)	C.Harris/Joe O'Brien
29 JUL	Shrimp Fest	Lancine & Ed Booth
23 SEP	Steak Dinner (cook your own)	T. Tomko & Gail Garrett
01 DEC	Christmas Party & Gift Exchange	C. Harris & Joe O'Brien

who come to us (it has been rumored) with some prior catering experience! It promises to be an outstanding event, so don't miss it. The following Saturday is our first semi-annual work day of the year. At 8:00 a.m., Sally and Bill Bittick (also new members from HCYC) will serve a light breakfast before the work assignments are made. Lunch will follow after

soon!

Ann and Carolyn

Looking forward to seeing you

2017 Commodore's Breakfasts *Kathy Leubner*

Many thanks to Ed and Lancine Booth for hosting the March Commodore's Breakfast, the highlight of which for me were the scrumptious Herbed Scrambled Eggs and Roasted Red Potatoes. I'm still trying to figure out all the ingredients in the eggs!

We now have a complete schedule of hosts for 2017 thanks to Bill and Sally Bittick volunteering to host the August meal.

The April breakfast will serve as the kickoff event for the 4th Annual Dr. Charles L. Branch Leukemia Cup Regatta. Hosting will be the Crane, Leubner and Lindsey families with additional help from Marvin & Linda Arnold and Sue Radley. During breakfast Ray Leubner, along with LLS representative Erica Gongora, will bring everyone up to date on the club's accomplishments over the past three years as well as what's in store for 2017.

March Breakfast Hosts - left to right

Women's Sailing Program *Lynn Simpson*

By all accounts it is looking to be another great year for the Women's Sailing Program. It is early in the year and already, there is a lot of interest in the classes! This year there will be 2 learn to sail sessions a one day Sunfish Tune-up, and the Women's Regatta SEW-MAD.

The program line-up:

Learn to Sail

June 1 & 2 (weekday class)

09:00 am – 4:30 pm

Cost \$65.00

Class will be limited to 4 students.

Online registration will open on May 1.

Learn to Sail

July 22 & 23 (weekend class)

09:00 am – 4:30 pm

Cost \$65.00

Class will be limited to 8 students

Online registration will open on June 16.

The learn to sail classes are designed to introduce women to this wonderful sport and cover sailing basics: parts of a sailboat, parts of a sail, wind awareness, basic sail trim, docking/departing, safety, rigging/de-rigging, and knots.

Sunfish Tune-Up

August 5

I am working on some fine tuning for this class, so stay tuned, I'll have all of the details in next month's Ditty Bag!

SEW-MAD Women's Regatta

August 26

Pencil the date in on your calendars, more details on this as we get closer to the date!

Adult Sail Training Report Bill McVey

Combining the two weekends into one course several years ago continues to be a big hit, giving us the opportunity to teach a basic understanding of sailing in the first weekend and build on that by learning to sail efficiently (well) on the second. Each entrant receives 3 hours of classroom instruction followed by 3 hours of on-the-water instruction on each of the four scheduled days.

We began with a maximum class of 30 people again this year; three were club members, the others for the most part, had never sailed before (inevitably, a few missed days because of sickness or other family circumstances). They were very enthusiastic, even with the predominantly cool and drizzly days. On the first weekend, we did complete the onboard instruction both days, even though there was light drizzle on Saturday along with mild temperature, and a nice variety of 3—6 mph winds with a few puffs of 10+ on Sunday. We had some very happy and exuberant new sailors on our hands!

The weather was a little less cooperative the 2d weekend, being cold and rainy enough to decide not to sail on Saturday. Instead, we taught a few additional topics centered around navigation, worked on knot-tying, and watching a fun sailboat racing video featuring Sydney 18s crashing and burning all around the courses!

The weather was much improved on Sunday, so after our morning classes and lunch, went out on the water to practice sailing a prescribed course including an upwind and downwind leg. The goal was to learn to see and get into puffs of wind, recognize if they were on lifted or headed tacks, and to sail the course in the quickest possible time. Each boat timed itself on the first lap, and then tried to beat that time on the second attempt. The students enjoyed being on different boats the second weekend, getting to meet more of our volunteers and learn more about different boat types.

Once again, the students' unsigned critiques expressed great appreciation to our club and volunteers for giving them the chance to experience and learn about our great sport. A few are considering buying small boats to continue their sailing venture, and a couple have already completed applications to join LCYC!

Please join me in thanking everyone who helped this year, it was great to have several first time volunteers along with many long-timers; Mike Stellato, Lynn Simpson, Pete Macler, Chris and VanEtte Christian, Bruce Dunn, Ray Leubner, Doug Toepperwein, Bill Powers, Jim Ritchie, Bob Middleton, Margaret McGill, Fred Day, Glen and Elsa Graham, Dave Sanford, Alex Meyers, Ann and Bill Cook, Nance Kilbourne, Joe McDonough, Donna Rice, Terry and Roger Beasley, Robert Crider, and Harold Simmons. Many thanks, too, to Carolyn Harris and Joe O'Brien for helping with coffee and lemonade and with the registration table both weekends.

985 S2 27 excellent condition; completely refurbished in 2014 (exterior stripped and repainted, new stainless steel ports and headliner, wood floors); new main sail, 3 jibs including Kevlar 135; shore power, Sunbrella bimini; new wood tiller; new stereo system; 9hp Yanmar inboard diesel engine; new electronic wind, depth and speed gauges; great family cruiser and club racer; \$18,500.00 OBO (appraised last year for \$19,200); contact Jim 210-831-4349

Open Bic 2014 Good condition, all spars and blades in great shape. No trailer (a Sunfish trailer works great). \$1,500 sb.mathis256@gmail.com

Santana 20 Keelboat Excellent Condition, Open Stern design. Two-time Winner of Santana Nationals. Built in 2001/2002 Hull Number 921. North Sails (Used at Nationals) Like New. \$9,500 (\$28,000+ New) Contact Jean Junker at Cell: 432-553-4447 or email jeanjunker@gmail.com

Reduced Price - 2008 Flying Scott #5817 and trailer (dry dock #6). Lightly used and in excellent condition for cruising or racing. White deck and hull with Medium Blue waterline strip. Equipped with Radical Race Package, Gus sails, white and blue ultra light spinnaker, cockpit rudder lift kit, swim ladder and grab rail, Sailors Tailor full deck cover, Plastimo Contest compass, mainsail flotation, and anchor. Regatta Master aluminum trailer with double walkway and nose wheel/jack for trailer tongue. Purchased for \$20,715; now \$13,800 (reduced from \$15,400). Contact Rick Nathan at 830-935-4504 or richardnathan@gvtc.com

1976 Catalina 22 Swing keel and tandem axle trailer, \$2500 OBO. Mercury 7/5 long shaft needs work. Boat in fair condition for age, but ready to sail. Current registration on boat and trailer. Main and jib serviceable. Contact David Lindow 210-334-7120 or cherish@fbcuc.org

17' AQUASPORT CENTER CONSOLE This is a great little boat that my dad bought not long ago from Bubba Horner and has been part of the club for a long time. It has an 85hp Johnson motor. It's a 1977 classic center console model with trailer. It is stored with cover in the paved, dry storage area of the club. It may need a little TLC, but has been well taken care of and is perfect for the lake. \$2,500. Contact Bill Riesenecker 210-865-2003 or brtx@mygrande.net

1983 Catalina 25, with 2005 Nissan 9.8 hp outboard and trailer. Boat belonged to Gerry Bennett. See in slip C-239. Lots of extras. \$3,500. Contact Mike Hall 210-744-6895.

Suzuki 6HP with tank. Runs great. \$400.00 Contact Rock @ 210-884-4744 or text. email is saxman410@gmail.com

Yanmar Oil Filter

Brand new, still in the wrapping, large Yanmar oil filter (holds approximately one quart). It was sent to me by mistake by West Marine and will not fit within my housing. Suspect it is for one of the larger boats...35 feet and above. If you can use it, it is yours for any reasonable offer. Bob Wickman 830-885-6377.
