

SLIP WAITING LIST APPLICATION

To help us determine your desired slip, please complete and return this form to the club office (Lake Canyon Yacht Club, P.O. Box 18554, San Antonio, Texas 78218-0554). A diagram of the slips in our marina is enclosed to assist you in selecting your slip criteria.

It is very important that you carefully fill out this information. This information will be used as criteria for slips that may be offered to you. You will not be contacted regarding slips that do not meet your criteria or are of inappropriate size for your boat. Your boat and use of the slip must be in compliance with the specifications of the Slip Utilization Policy. If you decline a slip that meets the criteria you define, your name will be moved to the bottom of the slip waiting list. If you have a change in your slip criteria, you may change it at any time by contacting the club administrator. However, you may **not** change your criteria at the time you are offered a slip by the club administrator.
