

LAKE CANYON YACHT CLUB - COVID-19 Guidelines for Club Property and Events

Lake Canyon Yacht Club (the “Club”) desires to conduct events to the extent possible with enhanced safety measures to reduce transmission of COVID-19 and comply with applicable legal requirements and governmental guidelines. Club guidelines apply to all individuals at Club events or on Club property, regardless of their status as members, guests, employees, volunteers, or otherwise.

Club leadership may approach event participants or attendees, or any other person on Club property, who are not abiding with the guidelines and request their compliance or departure. Individuals who violate the guidelines, or other Club requests for enhanced safety measures, are also subject to sanctions as set out in the Club bylaws, Club rules, and employee manuals.
