Lake Canyon Yacht Club

Membership Classification Information - Our Club has four categories of memberships for which adults may apply: Senior, Non-Resident, Student, and Individual.

Most people apply for a "Senior" membership using the package on the LCYC web site titled "Membership Packet". This packet is used for all adult categories except Individual. Non Resident membership is open only to those whose principle residence is outside a 150 mile radius of LCYC. Those owning or residing in a lake or weekend home within that radius do not qualify. Non Resident members can not apply for a slip in the marina. Student members must be full-time students.

The "Individual Membership Packet" is appropriate only if the spouse does not intend to be included in the membership. In which case, the spouse and any other family members may only participate as guests of the member. If there is no spouse, we generally recommend selecting the Senior Membership and indicating "No Spouse" on the appropriate line.

A full description of each membership category can be found in our Bylaws - which also appear on the Membership Page of our web site - and on the fee page of this application packet."
